TO WHOM IT MY CONCERN

South Bank Corporation engaged Grosvenor Engineering to maintain or HVAC/Mechanical Services for the commercial and retail properties of South Bank Parklands, Brisbane commencing 1st July 2014 for a five (5) year contract.

Grosvenor Engineering have provided an excellent services to date and have provided value added services in respect to asset management life cycle audits.

We have subsequently engage Grosvenor Engineering for our Fire Services.

During the first two years Grosvenor Engineering has successfully tendered for the replacement of two chiller units for our Arbour on Grey Retail Outlets.

Grosvenor Engineering have conducted their business in a professional manner and are always providing prompt service to meet the Corporations expectations.

Yours sincerely
South Bank Corporation

Lawrence Hardwick
Retail Operations Manager
